To whom it may concern

My name is Joshua Boyle. I am a university student in SETU Waterford. I recently listen to the Irish time podcast with the commission CEO. I found it very interesting. I feel the commission could benefit for engaging with college and student union in an attempt to generate interest in politics and election. I know personally many people of similar age are not even registered to vote. Due to a lack of awareness.

I wish the commission good luck with the busy few years ahead.

Kind regards

Joshua Boyle
